Per Swayzee Town Code P-01-14;

It shall be unlawful for a person who owns or controls property on which an alarm system is installed; to issue, cause to be issued, or allow the issuance of more than *two* false alarms in a calendar year.

Provided, however, this section shall not apply to an alarm system which emits a false alarm within 30 days after installation of the alarm.

****This is merely a recommendation to have your security alarms registered with the local PD within the Town limits of Swayzee, IN. Fines associated with this local ordinance can be found at www.swayzee.org.**
